

*The mission of The Somerset Hills School District is to provide an authentic and balanced learning experience for each student by harnessing the power of innovation and an engaged community to create thoughtful and impactful global citizens.*

## **District/CSA Goal for 2022-2023**

**Goal:** The district engaged the community in a Strategic Planning initiative during the 2021-2022 school year. Progress toward defined initiatives during the 2022-2023 school year should include the following areas of focus:

### ***Areas of Focus:***

- **Academic** - Devise grade-appropriate K-12 opportunities to explore career choices, including access to experiences beyond the walls of the classroom. Solidify current academic pathways, considering summer programming, complementary professional development, and tiered systems of support.
- **Culture & Climate/Social-Emotional Learning** - Solidify the district's K-12 vision for Social-Emotional Learning, identifying additional growth opportunities for co-curricular outreach and opportunities among and across groups/buildings.
- **Facilities** - Reimagine the BMS Media Center, as well as both tech and mental health spaces in all buildings. Replace Olcott Field turf, and develop a budget plan to support the replacement of the track.
- **Community** - Devise a strategic communication process to solidify the district's favorable public image.
